LEON’S POLKA

Chorus
At accordéon, Léon.
At spinet, Ginette.
At fiddle, Marion
At clarinet, Gaston.

They play for us a polka
Whose steps I'm going to show you.
It's not hard, you do like this:
one, two, three, four and that's done.

chorus

Your eyes are in the peepers
Of the fair maid who's pretty.
You jump on the floor
That is a polka "piquée".

Chorus

You tread on his feet,
Now she's angry.
You want to apologize,
She wants to change her partner.
