On the banks of the Nile
Lived a crocodile
That greedy one swallowed anything
Even rats.

Once, seeing an old fridge
Swallowed it right now.
But the greedy one suffocates
And was made a pouf.

You can prawl around
Along the banks of the Nile
Nomore danger,
Nomore crocodile.

But Assouan’s Sultan
Sat down on it
And found it very hard.
To the vulture it was thrown.

One just kept the teeth
Fot Sultan’s daughter
Who made a necklace.
And the naughty one was forgotten.
